Case No. 2:21-cv-00358-RAJ

**PLAINTIFFS' MOTION TO FILE
OVER-LENGTH MOTION FOR
ALTERNATIVE SERVICE ON
DEFENDANTS**

NOTE ON MOTION CALENDAR:
NOVEMBER 7, 2022

Pursuant to Local Civil Rule 7(f), Plaintiffs Amazon.com, Inc. and GoPro, Inc.
(collectively, "Plaintiffs") request that the Court permit Plaintiffs to file an over-length *ex parte*
motion in support of their request for an order from this Court allowing for alternative service of
process on Defendants. Local Civil Rule 7(e)(1) provides that motions brought pursuant to Local

Civil Rule 7(d)(1), including *ex parte* motions, are limited to 6 pages. By this request, Plaintiffs seek to file a motion containing 4 additional pages, for a total limit of 10 pages.

Plaintiffs contend that the additional pages are necessary to provide sufficient explanation of the facts surrounding Plaintiffs' investigation into Defendants' identities and whereabouts, as well as the law dictating the circumstances in which this Court may allow for alternative service. The six-page limit is insufficient for Plaintiffs to provide the Court with the facts and authorities supporting the motion, and demonstrating Plaintiffs' need for and entitlement to an order allowing for alternative service of process on Defendants. For these reasons, Plaintiffs seek permission to file an over-length motion to provide the Court with the full detail necessary to support the order Plaintiffs seek.

DATED this 7th day of November, 2022.
